- The Argyle Gymnastics team will begin soon. All students interested in joining the Argyle Gymnastics team are asked to attend the information meeting at lunch tomorrow in the Small Gym. Students can sign up for the team using the QR Codes on the school bulletin boards or with Mr. Rath in the PE Office. All students are welcome. No experience is needed. Bring your friends.
- If you're in Grade 8 or 9 and want to get involved with the Junior Show, this is your chance! Whether you want to act as a Greek god or goddess, build sets, create lighting looks, or work behind the scenes, there are so many ways to be part of the show and have an amazing time! If you have questions or want some audition support, come to the theatre at lunch on Tuesday for a question period and audition help. All the information is posted in the Team, so message Ms. Owens to join. Auditions are tomorrow after school, and there will be a place for everyone who wants to be involved. It's going to be an incredible show, and we can't wait to see what you bring to it!
- Are you someone who can use a language other than English? The Delta Language Challenge Exam might be for you! Languages offered include French, Spanish, Mandarin, Punjabi, Korean, Japanese, Farsi, and American Sign Language. See your counsellor for details!
- All student who are helping with the Japan school visit on Friday please meet Mme. Ames in the Library today at lunch for a brief meeting.
